Revolutionizing Electronic Access Control

CompX eLock®

100 series eLock®
Keyless, non-network,
electronic access control
solution for cabinets and
refrigerators

applications:

patient records
drug / supply cabinets
refrigerators / freezers
bio-hazard disposal
research labs
key control boxes
tool cribs / carts
evidence rooms
equipment storage
cafeteria / food storage
emergency vehicles
many more!

all versions feature:

- ◆ Audit trail of last 1,500 access attempts
- ◆ 250 user/supervisor codes
- ◆ Use existing identification cards – eLock® reads magstripe Track 2 and HID® prox cards, eliminating the need to buy new cards

- ◆ Jump start 9-volt battery power port allows the user, with a valid credential, to gain access when the batteries are exhausted
- ◆ Standard RJ11 port for audit trail download with optional LockView 3 software

CompX eLock® meets Joint Commission requirements for healthcare applications.

Network units also available.
Visit compxelock.com for all eLock solutions.
