

AVAILABLE NOW!

C8137 **PIN TUMBLER** **DRAWER LOCK** now supplied with **STAINLESS** **STEEL BOLT**

STOCK[®] LOCKS

New from CompX National - C8137 insertable bolt lock with **stainless steel bolt**. The new stainless steel bolt is resistant to breaking when the drawer is closed and while the bolt is in the locked position. The stainless steel bolt can be purchased separately (C7137) in packages of ten and will retrofit into existing C8137 locks.

For more information, contact CompX National or a local CompX distributor.

Replacement stainless steel bolts available through STOCK LOCKS program – **part number C7137 packaged 10 per bag**.
