All product manufactured and assembled in the United States. ISO 9001 certified.

### NEW! Replacement Cylinder program

- ➔ The Advantage PLUS feature allows users to remove the cylinder while the lock body remains in place
- ➔ Instead of re-keying, replace only locking cylinders, not the entire lock
- ➔ Saves time - minimal downtime
- ➔ No need to specify door or drawer - each replacement cylinder size will work on door OR drawer applications
- ➔ Package includes: locking cylinder, two keys, sleeve
